Performance and Feedback

- Student Engagement (as in form of assembly)

all classes, students showed enthusiasm in learning a new language. The interactive and activity-based approach helped in keeping the students engaged. Basically emphasis is on participating in assembly so that they feel confident while speaking in public

We have conducted two assemblies:

- 1-Translation of two geeta shloka by class 6th
- 2-Talking about themselves and my house in french by class 3rd

- Progress:

Regular assessments (including assembly)

indicated steady progress in vocabulary acquisition, pronunciation, and basic sentence formation, especially in younger students. Older students demonstrated a better grasp of grammar and writing skills.

- Challenges:

Some students faced difficulties with pronunciation and grammar, which were addressed through additional practice sessions.(**Online**)

Upcoming French Olympiad (October)-for classes 5th to 8th

The French Olympiad is scheduled for October, aiming to assess the students' proficiency in the language. The Olympiad will cover various aspects such as vocabulary, grammar, reading comprehension, and listening skills.

1. Preparation:

- Special revision classes were conducted in May to prepare students for the Olympiad.
- Practice tests and mock exams will be organized to familiarize students with the format of the Olympiad.
- Additional resources, such as online quizzes and study materials, will be provided to help students prepare effectively.

2.Participation:

- All students from classes 4th to 8th are encouraged to participate in the Olympiad.
- Top performers in the Olympiad will be awarded certificates and prizes.

Conclusion

The French classes conducted from April to July have laid a strong foundation for students in learning a new language. The upcoming Olympiad in October will provide an excellent opportunity for students to showcase their skills and knowledge in French. The continued focus on interactive learning and comprehensive preparation will ensure that students are well-equipped to excel in the Olympiad.
