-Language Consultant (French) – Accounted Experience in Translation, Teaching & consulting with NGOs, Schools, Education Institutes and Organizations. -French Course- Alliance Francais and iit kanpur
-Social Consultants - Diverse Ability in early childhood Education & Social work(15 years experience).

Courses Offered:

- Beginner French: An introductory course designed for students with little to no prior knowledge of French. Focuses on basic vocabulary, grammar, and conversational skills.

- Intermediate French: Builds upon the foundation established in the beginner course, covering more complex grammar structures, vocabulary expansion, and cultural topics.

- Advanced French: Designed for students aiming to achieve fluency in French. Emphasizes advanced grammar concepts, literature analysis, and advanced conversation practice.

-Professional course:Professional courses in the French language are designed to equip individuals with the linguistic skills required for effective communication in a professional environment. These courses typically cover a range of topics and skills, including.
* Formal Communication- Developing the ability to write formal emails, reports, and business proposals in French. This includes understanding the appropriate tone, structure, and etiquette.
*Oral Communication Skills-Practicing speaking skills through presentations, meetings, and negotiations. Emphasis is often placed on clear articulation, professional demeanor, and effective argumentation.
*Cultural Competence- Gaining insights into French business culture, customs, and etiquette. Understanding cultural nuances can be crucial for successful interactions and building professional relationships.
*Listening and Comprehension: Enhancing the ability to understand spoken French in professional settings, such as during conferences, video calls, or customer interactions.
*Networking Skills-Learning how to network effectively in a French-speaking business context, including the use of social media, attending professional events, and building a professional online presence.
