

Report on the French Olympiad - 7th October (Monday)

On 7th October, the French Olympiad was conducted by Education and Beyond at Podar International School in online mode. Four students from Kendriya Vidyalaya participated in this prestigious event, representing classes 6 to 8.

Teacher name: Sonal Chaturvedi. (french instructor)

Participants:

1. Ishani (Class 7)
2. Rudra (Class 6)
3. Arnav (Class 6)
4. Atharva (Class 8)

Venue:

The examination was conducted at the premises of Podar International School under an online setup, ensuring a smooth and secure testing environment. The students demonstrated a strong enthusiasm for the French language and its application, competing with students from various schools.

Objective:

The Olympiad aimed to assess the students' proficiency in the French language, including grammar, vocabulary, comprehension, and conversation skills. It provided an excellent platform for students to gauge their understanding and fluency in French.

Conclusion:

The event was successfully executed, offering valuable learning experiences to the participants. The students from Kendriya Vidyalaya showcased a commendable performance and their efforts in preparation for the Olympiad were highly evident.

This participation not only highlighted their linguistic abilities but also encouraged them to pursue further excellence in foreign languages. The results of the Olympiad will be awaited eagerly by the participants and their school.
